 Dashboard Posts Media 	Before you begin, make sur	k Demo Import re all the required plugins are activated.			
 Pages Comments Services 	Importing demo data (p	post, pages, images, theme setting	gs,) is the easiest way to setup your theme. It will allow you	u to quickly edit everything instead o	of creating content from scratch.
 Employees Appearance Themes Customize Widgets Menus 	When you import the data, the No existing posts, Posts, pages, imag Please click on the	e following things might happen: pages, categories, images, custom post ty ges, widgets, menus and other theme settin e Import button only once and wait, it can ta	pes or any other data will be deleted or modified. ngs will get imported. ake a couple of minutes.		<u>Switch to manual import!</u>
Import Demo Data Editor Plugins Users Fools	Please waiting for	a few minutes, do not close the window or	refresh the page until the data is imported.		
SettingsCollapse menu	Import Demo Data				

2.3 After all required plugins have been activated, go to Appearance/Import Demo Data and click Import Demo

Data. After all demo data has successfully imported go to Appearance/Customize to start customizing.

IMPORTANT: In case any problems with import follow this link.

https://github.com/proteusthemes/one-click-demo-import/blob/master/docs/import-problems.md

3.0 CUSTOMIZING THE THEME

3.1 Start **customizing** by going to each tab to **edit** and **add** your personal information.

3.2 Click Select Color to change Primary Color of the website.

3.2 Click **Add More** if you need additional repeatable item like social network input fields.

4.0 EDITING SERVICES & EMPLOYEES
